Money Matters

As a volunteer based not-for-profit organization, Whinnying In Life relies strongly on volunteers and community partners to keep the program running. Fundraisers throughout the year help us to provide our Elite Independent Riding/Driving and Touch Programs to those with physical, mental, intellectual and/or emotional needs for free.

Horses are expensive and so is the continuation of care needed to keep Whinnying In life the best it can be. The following list is a breakdown of expenses to keep one miniature horse/pony for a full year, and also the cost of a full size horse.

Becoming a Sponsor Is Easy:

As a sponsor, there are several ways to support Whinnying In Life:

1. Sponsors can help “In-Kind”

There is always a need for training carts and show carts, gently used 19 and 20 inch English Saddle and tack, as well as show harnesses.

Lumber and posts to keep fencing upgraded and to help maintain or build new stalls and out buildings is always needed. Every day grooming supplies and equipment, hay, straw, wormers, water troughs, rain barrels, hay feeders, and feeding buckets, will all be put to good use.

Trucking costs (\$80.00/ load), along with the shavings, mulch, and sand are also needed on a regular basis for the upkeep of riding ring, trails, stalls and paddocks.

2. Sponsors can help by “Sponsoring an Elite Rider/Driver”

We are always looking for sponsors for our Elite Riders and Drivers. Although we make sure our clients understand life is NOT free by having them cover costs for their extra activities with the horses, being on a limited budget put strains on their money availability. Sponsoring an Elite Driver or Rider for \$200.00 per month will make sure that they have all the opportunities our program can provide to them. No client will ever be turned away due to money restraints.

3. Sponsors can help by “Sponsoring a Miniature Horse /Pony or Horse”

Sponsor a miniature/pony for \$6300.00 or a horse for \$7200 will assist the coordinators in maintaining healthy equine for the program, and also will help with ongoing training and upkeep.

4. Sponsors can help by a “Monetary Donation of any amount”

Whinnying In Life will gladly accept any donation, great or small and put it to good use, in order to improve the quality of our program.
